R&LHS members learn about the history of Pennsylvania's famed East Broad Top Railroad from Lawrence Biemiller, during a tour of the railroad's facilities as part of the 2015 Members Meeting. Other events on the program included a visit to Norfolk Southern's Juniata Locomotive Shop; Curry Rail Services in Hollidaysburg; the Allegheny Portage Railroad National Historic Site; Horseshoe Curve; the Rockhill Trolley Museum; the Railroaders Memorial Museum; and an excursion on the Everett Railroad. The stop at the East Broad Top was a last minute bonus to an already full schedule. Photo by John Gruber
